

REMARKS

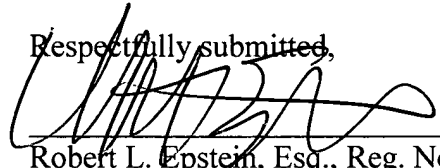

The claims have been amended to overcome the spacing issue and eliminate the reference numerals in claim 3.

The claims have also been revised to overcome the indefiniteness rejection by eliminating the conditional nature of claim 1.

In addition, a new claim 11 is presented in which both alternatives are specified.

It is now believed that the claims are in condition for allowance.

Respectfully submitted,

Robert L. Epstein, Esq., Reg. No. 26451
